

Inspection and Review at Westerly

Fine Showing Made by Fifth Company, C. A. C.—Plans Formulated for Lincoln Celebration—Benefit Entertainment for Earthquake Sufferers—D. A. R. Chapter Reception in Honor of State Regent.

The officers and enlisted men of the Fifth company, coast artillery corps, have reason for pride in the showing made at the inspection and review given in the morning. Tuesday evening to Westerly's delegation in the general assembly, Senator Louis W. Arnold and Representative Albert H. Langworthy. The ceremony was conducted by Capt. Borden A. Babcock, as inspecting officer, Lieutenant Thackeray and Williams being with the company. The ceremonial was in accordance with infantry tactics, for as yet there has been no change in military work, since the change of the Rhode Island national guard from the infantry to the coast artillery branch of the service.

This organization is the successor of Company B, Westerly Rifles, organized about thirty-eight years ago. The first officers were: J. Alonzo Babcock, captain; J. Albert Brown, second lieutenant; John E. Brown, second lieutenant; George C. Stillman, third lieutenant. Among the interested spectators at the inspection the company was led by John B. Brown, who served in the civil war, and is active in local Grand Army affairs. All the original officers of the company are living, and Captain Babcock and Lieut. J. B. Brown are still residents of Westerly.

At the conclusion of the military ceremonial there was a reception and social session which was enjoyed by the members of the company and their guests. Major Charles H. Edwards and First Lieut. Arthur N. Nash, battalion adjutant, resident staff officers, former members of E company, and several retired officers of the company were among the interested spectators, and united in praise of the excellent showing made by the company.

Rhode Island is more liberal for some purposes with the public money than its western border state, where no appropriation is made for the life savers along the shores. There is some opposition, however, to the request of the Rhode Island branch of the United States life saving corps for an appropriation of \$5,000 by the present general assembly. A former member of the corps asserts that \$2,000 is enough and that in fact was more than required last year. Superintendent Longfellow says that the opposition has probably arisen from one man who was dropped from the roll for incompetency, and who is disgruntled in consequence.

Post Commander Walter Price of Cranston post, and Lorenz D. Richmond of Sudbury post, Grand Army of the Republic, attended a meeting of the local committee on the Lincoln centenary, held in Memorial hall, Tuesday evening. Chairman Ethel Wilcox presided.

Plans for exercises were discussed and it was decided to have state exercises in the morning, February 12, provided the building could be secured for that patriotic purpose. Capt. B. A. Babcock was requested to make application for the use of the armory to the proper officials, and it is believed the request will be granted. While the order of exercises has not been completed, it will consist of addresses, vocal and instrumental selections, with special features by pupils of the public schools.

For several years Lincoln's birthday has been observed in this day in Rhode Island. Special exercises are held in schools, a feature being brief addresses by a Grand Army man, one being detailed to every school in the

HER PHYSICIAN ADVISED Taking Lydia E. Pinkham's Vegetable Compound

Columbus, Ohio: "I have taken Lydia E. Pinkham's Vegetable Compound during change of life. My doctor told me it was good, and since taking it I feel so much better that I can do all my work again. I think Lydia E. Pinkham's Vegetable Compound a fine remedy for all women's troubles, and I never forget to tell my friends what it has done for me."

Mrs. E. HANSON, 304 East Long St., Columbus, Ohio.

Another Woman Helped. Granville, Vt.: "I was passing through the Change of Life and suffering from nervousness and other annoying symptoms. Lydia E. Pinkham's Vegetable Compound restored my health and strength, and proved worth mountains of gold to me. For the sake of other suffering women, I am willing you should publish my letter."

Mrs. CHARLES BARCLAY, R.F.D., Granville, Vt.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

NORWICH BULLETIN, WEDNESDAY, JANUARY 27, 1909.

"After an Experience"

of many years with Hood's Sarsaparilla I am very glad to recommend it to my friends. "I think it is one of the very best tonics to build up the system."

"I have had the grip four times, and I have found Hood's Sarsaparilla just what I needed to give me natural strength after this debilitating disease. "I have also been a great sufferer from severe headaches and stomach trouble, and for over four years had an outright case of dyspepsia. By taking Hood's Sarsaparilla my former distressing condition has been changed to good health. I can eat anything I like without distress." Mrs. E. H. JACKSON, Scituate Centre, Mass.

Probably no other medicine ever produced has accomplished so much in restoring health and strength.

Hood's Sarsaparilla effects its wonderful cures, not simply because it contains sarsaparilla but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies that successful physicians prescribe for the same diseases and ailments. There is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good" you may be assured it is inferior, costs less to make, and yields the dealer a larger profit.

Get Hood's Sarsaparilla today in usual liquid or tablet form. Sarsaparilla. 100 Doses \$1.
